Каждая программа длится шесть минут и содержит примеры и объяснения чтобы помочь вам расширить диапазон своих знаний Английского языка. ОПИСАНИЕ ССЫЛКА 01 - This week we will look at different ways to create recommendations. How can we soften our advice to seem less bossy? Скачать 02 - From time to time, at work or at home, someone will say something that is very rude and offensive. How can you react in a way that makes that person realize how shocked and offended they are by their words? Скачать 03 - In the UK honest people don't always say what they mean! This week in How To, we look at how you can use sarcasm to make a point or be fun. Скачать 04 - Learn more about the language of air travel as Jackie and Callum discuss the controversy surrounding the expansion of London's Heathrow Airport. Скачать 05 - Jackie and Callum talk about a new device that some use to get rid of teen gangs. The mosquito emits an annoying sound that only young people hear. Is this a good way to stop young people from causing trouble? Скачать 06 - Internet crime is thriving as more and more people use online services. Jackie and Callum speak the language of some of the most common computer-related crimes, otherwise known as cybercrimes. Скачать 07 - An American writer, Ernest Hemingway, has bet ten dollars that he can write a full story in just six words. Won a bet? but what did he write? Could you tell the story of your life in just six words? Join Jackie and Callum as they share theirs. Скачать 08 - Today Jackie and Doug talk about the language of management and managers. Is being a manager ever fun? We hear the opinions of a management columnist in the Financial Times. Скачать 09 - Many beautiful animals, such as pandas and whales, are threatened with death by human activity. Some people are working to save these creatures... but what about less nice species? We hear from an environmental expert who claims to shou Скачать 10 - Jackie and Amber hear from Nobel Laureate Muhammad Yunus about the concept of social business. Why does he think this is a more effective way to combat poverty than charity? Скачать 11 - Today's program analyzes many ways to show interest in what someone says and some of the most common ways to do it. Скачать 12 - Today's program looks at storytelling, jokes or We learn how current verb forms can be used to describe past incidents when we speak informally. Скачать 13 - Do you have Phone? Could you live without it? Jackie and Doug look at the language from the world of mobile phones and text messages. Скачать 14 - Doug and Jackie talk about the language of diet and weight loss. What?s ?low-carb? Diet? Has Doug ever gone on a diet? Скачать 15 - A look at ghost writing? Why are so many celebrities turning to ghost writers today to write their life stories for them? Скачать 16 - A linguistic discussion based on the news story that a rare and endangered pygmy hippopotamus was caught on film in Liberia. Скачать 17 - If you argue with someone in the store or in the market about the price of something, we call it ?haggling?. While it's not customary in the UK to bargain every time we shop, it's something we do for very cheap things... or very expensive things. Скачать 18 - Elena needs a ladder, but why? Learn and also learn about the verbs to borrow and borrow in this week's program. Скачать 19 - Callum Robertson looks at the language that we can use when describing the process; for example, describing how to make the perfect omelette. Learn the language and recipe this week. 20 - Has a change in drinking laws in England and Wales affected people's attitudes to alcohol? We'll hear from a medical professional as Jackie and Elena talk about the language of drinks and coming out. Скачать 21 - Credit crisis: this phrase is everywhere in the media these days, but it is very new. Where and when does it come from and what does it mean? Скачать 22 - Giving instructions: Learn another great recipe and a few links of words and phrases in this program.
